

REMARKS CONCERNING ALITHYA'S SHARES AND BUSINESS FOLLOWING ANNOUNCEMENT OF THE EDGEWATER-ALITHYA TRANSACTION ON MARCH 16, 2018

Dear Alithya Shareholders and Employees:

Please note that all of the following points are conditioned upon the closing of the transaction with Edgewater. Going forward, in light of the proposed transaction, Alithya and its directors and officers shall conduct themselves in the spirit of a public corporation. As a reminder, during the pendency of the proposed transaction, any person directly or indirectly considered an insider, including their relatives, is prohibited from trading Edgewater's shares.

As announced on March 16, 2018, Edgewater and Alithya entered into an arrangement agreement dated March 15, 2018, pursuant to which it is anticipated that, among other things, Alithya and Edgewater will combine into a newly created company, which will be named Alithya Group Inc. ("New Alithya"), that will, upon closing of the transaction, be listed on NASDAQ and the TSX.

- Alithya's shares that you hold will be converted at closing of the transaction for shares of New Alithya;
- The corporation currently named "Alithya Group Inc." will change its name at closing of the transaction to another name;
- The shares of New Alithya are expected to be listed on NASDAQ and the TSX;
- Alithya's Share Purchase Plan ("SPP") will remain in effect until closing of the transaction and participation in the SPP, including bi-weekly source deductions, etc. is still in effect;
- Alithya is prohibited from issuing shares until closing of the transaction, which is expected to occur in the third calendar quarter of 2018, with the exception of the 25th anniversary shares that will be issued to permanent employees who joined Alithya between December 1, 2017 and March 31, 2018 and who did not already receive the share certificate representing their 25 Class "A" Shares;
- After the closing of the transaction, subject to further confirmation, shares under the SPP subscribed by your contribution by means of source deductions plus the Alithya matching contribution may occur on a quarterly basis instead of once a year as it is currently done;

- Alithya's quarterly purchase/sale process has been suspended until closing of the transaction by resolutions of the Board of Directors in accordance with the Shareholder Agreement;
- Until the transaction is closed, Alithya is prohibited from issuing shares, purchasing its shares or granting options;
- Alithya will continue to send notices of share repurchase to employee shareholders who terminate their employment between January 31, 2018 and closing of the transaction, but the purchase price will be fixed at closing and payment will follow thereafter;
- A new share purchase plan and a new stock option plan will be implemented at New Alithya for the benefit of Alithya and Edgewater permanent employees employed at New Alithya post-closing;
- Amounts accumulated in Alithya's existing SPP and options granted under Alithya's existing Stock Option Plan will be automatically transferred in the new plans.

We expect that other communications will follow going forward until the closing of the proposed transaction. In the meantime, if you have any questions, please address an email to raa@alithya.com
