## **Edgewater Fullscope Poised to Showcase Unique Industry Solutions that Drive Growth at Microsoft Ignite**

### **Also Have Presence at Microsoft Envision**

Athens, AL, Sept. 07, 2017 (GLOBE NEWSWIRE) -- **Edgewater Fullscope Poised to Showcase Unique Industry Solutions that Drive Growth at Microsoft Ignite, Also Have Presence at Microsoft Envision**

**Athens, AL - September 5** — Edgewater Fullscope, a leading provider of Microsoft Dynamics 365 (formerly Dynamics AX and CRM) as well as BI and consulting services, will showcase unique industry solutions at Microsoft's Ignite conference and have a presence at Ignite's connected event, the Microsoft Envision conference. Microsoft Ignite will take place from September 25-29 at the Orange County Convention Center in Orlando, FL. Microsoft Envision will take place across the street at the Hilton Orlando from September 25-27.

Edgewater Fullscope will be in booth 2060 at the sold-out Ignite conference. Attendees can stop by to learn how Fullscope delivers successful digital transformations that drive growth with Microsoft Dynamics 365. Visitors can also see one-on-one demos of ERP, CRM and BI solutions highlighting specific benefits for manufacturing companies. We will also be offering advisory and technical services, leveraging Office 365, SharePoint, Azure, .NET and the rest of the Microsoft stack to provide innovative solutions that create business value. Fullscope's industry experts will be on hand to discuss how Microsoft applications and the Internet of Things can be harnessed for business growth, strategy and efficient operations.

The Microsoft Ignite conference offers IT professionals the opportunity to connect with peers, explore new technology and get questions answered, as well as access over a thousand hours of content like training sessions, deep dives on products and live demos.

Microsoft Envision is a thought leadership conference where business leaders will gain strategic insights to help them engage customers, empower employees, optimize operations and transform their products in new and impactful ways through the power of today's technology. Join Edgewater Fullscope at Envision to develop your strategic roadmap and explore what is possible through digital transformation. With your Microsoft Envision registration, access to Microsoft Ignite is included.

### **About Edgewater Fullscope**

Edgewater Fullscope delivers innovative Microsoft ERP, CRM and BI solutions and services on premise or in the cloud to companies in North America and Europe. The award-winning company is one of the largest resellers of Microsoft Dynamics 365 (formerly Dynamics AX and CRM). We also offer strategic consulting delivering a blend of classic and product-based consulting services that help clients reduce costs, improve processes and increase revenue through the judicious use of technology.
